

## **Limbic Arc – Sales Compensation Plan**

We're dedicated to providing you the most robust, fair, and straight-forward compensation plan in the industry! Many companies "talk" about paying out up to 60% or 65% in their literature. However, when the dust settles, with breakage and BV assigned to their sales volume, few of those companies ever pay out over 40% to the field.

This is where Limbic Arc shines. We've developed a compensation plan that pays out a full 50% of every gross dollar that comes in each week—with absolutely no breakage. No smoke and mirrors, it's simple and straight-forward, 50% of revenue is paid out weekly.

If you choose to build a home-based business with us, we're confident you'll find this approach to compensation a real asset as you work to reach your goals.

Below is our Compensation Plan. This is the legal document and we're including it here because it's easy to understand.

**Limbic Arc LLC ("Limbic Arc" or the "Company") will pay sales compensation to parties' signatory to the standard Limbic Arc Distribution Agreement as follows: \***

### **1. Structure of Compensation**

Limbic Arc will pay out fifty percent (50%) of gross Affiliate license-subscription income, less the costs of the Affiliate Rewards and Recognition program as set forth below, (the "50% Payout Amount") to Affiliates according to the Compensation Plan set forth herein.

- a. Limbic Arc employs a binary enrollment structure wherein each Affiliate has two sales teams, one left, and one right. Both sales teams are comprised of customers and other Affiliates who have purchased Limbic Arc licensees. Each level of the Downline Organization is a "Level". All software licensees personally enrolled by an Affiliate are their First "Generation," regardless of where in the Downline Organization they reside; all software licensees enrolled by the First Generation are the Affiliate's Second Generation; all software licensees enrolled by the Second Generation are the Affiliate's Third Generation; and so forth.
- b. The 50% Payout Amount shall be allocated and applied in the following order:
  - i. First, to the Weak-Leg Commission;

- ii. Second, if 50% Payout Amount funds remain, to the Generations Check Match (If the 50% Payout Amount is not sufficient to meet the obligations at the second level, Generations Check Match, then the amount will be prorated among all Affiliates at the Generations Check Match level.);
- iii. Third, if 50% Payout Amount funds remain, to be divided sixty-five percent (65%) to the Builder Bonus Pool and (35%) to the Leadership Pool.
- c. Compensation is paid via direct ACH direct deposit weekly on Thursday (if a banking holiday, then the following business day) based on the 50% Payout Amount from the previous week, measured from Saturday at midnight (MT) to 11:59:59 on Friday.
- d. All payments to Affiliates are “Bonuses” under the meaning set forth in the Limbic Arc Affiliate Agreement and the Limbic Arc Terms and Conditions.

- b. #### 4. Builder Bonus Pool

- a. Sixty-five percent (65%) of the 50% Payout Amount funds remaining after paying Weak-Leg Commissions and Generations Check Match will be allocated to the Builder Bonus Pool.
- b. The Builder Bonus Pool will be divided each week by the number of shares earned by Affiliates, as set forth below.
- c. Builder Bonus Pool shares are earned as follows:

Level	Personal Subscription Requirement	Volume of New Personal Enrollees	Number of Shares Earned
Builder 1	US\$100/mo. Active License	US\$100 or Greater in Volume <i>(Not Leg Specific)</i>	1
Builder 2	US\$100/mo. Active License	US\$200 or Greater in Volume <i>(Not Leg Specific)</i>	2

#### 5. Leadership Pool

- a. Thirty-five percent (35%) of the 50% Payout Amount funds remaining after paying Weak-Leg Commissions and Generations Check Match will be allocated to Leadership Pool.

Level	Personal Subscription Requirement	Ongoing Volume of Personal Enrollees	Number of Shares Earned
Leader 1	US\$100/mo. Active License	US\$400 or Greater in Volume <i>(Not Leg Specific)</i>	1
Leader 2	US\$100/mo. Active License	US\$600 or Greater in Volume <i>(Not Leg Specific)</i>	2
Leader 3	US\$100/mo. Active License	US\$1,000 or Greater in Volume <i>(Not Leg Specific)</i>	4

*Note: The \$400, \$600, or \$1,000 can be generated from NEW subscription sales, or a combination of NEW and renewals, or from ALL renewals. As long as the \$400, \$600, or \$1,000 in volume is there each week when the software looks to see if that affiliate is qualified, then they will be paid no matter if the subscriptions producing the volume are new or renewals, and no matter if they are sales from the right or left legs.*
